

Counting Sheltered and Unsheltered Veterans!

Persons answering that they are a Veteran on the night of the count must be verified! Verification is required by HUD and helps assure we accurately understand veteran's homelessness. Please be respectful, non-judgmental, and patient when verifying status. If possible, please check HMIS to verify sheltered veterans' status. To verify unsheltered veterans or a sheltered veteran you are unsure about, call **(701)306-0654**

- Veteran's full name, SSN, DOB, and branch of military, and contact information for follow-up is needed when calling.
- Fargo VA staff will be available on the 26th from 7 am to 4 pm. Messages can be left at all other times and the VA staff will return your call. Please speak clearly and leave as many details as possible, including a call back number for questions if needed.
