2A. Project Detail

1. **CoC Number and Name:** MN-508 - Moorhead/West Central Minnesota CoC
2. **Collaborative Applicant Name:** Housing & Redevelopment Authority of Clay County
3. **Project Name:** CoC Planning Project FY2022 - MN-508
4. **Component Type:** CoC Planning Project Application

2B. Project Description

1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with 24 CFR 578.7:

The requested grant will be used to fund a portion of the CoC Coordinator position conducting the following activities':

1. CoC Coordination: Plan for and coordinate CoC board, CoC membership, and CARES meetings.
2. CoC Project Evaluation: Review CoC funded projects annually.
3. Participation in the Consolidated Plan: Participate in quarterly meetings with Moorhead CDBG and an annual meeting with State of MN OEO staff.
4. CoC Application: Plan and prepare for the local CoC competition. Complete the application in esnaps. Conduct annual ranking process.
5. HUD Compliance: Plan for and support completion of annual PIT, HIC, LSA, and SPMs. Plan and monitor Coordinated Entry (CARES) system compliance.

The following are other activities performed by the CoC Coordinator with non-HUD resources. Some of these activities are also described in question 2 as CoC funding is typically not sufficient to fully execute activities.

- 1.CoC Coordination with local, regional, and state partners, including state Consolidated planning partners.
- 2.Homeless Project Evaluation and Monitoring, including ESG and CoC Projects
- 3.Work on the CoC Application not covered by HUD resources.
- 4.HUD Compliance activities not covered by HUD, including PIT and HIC planning, Coordinated entry planning and evaluation.
- 5.CoC Planning related to ending youth, family, unsheltered, and rural homelessness not covered by HUD CoC funding.
- 6.Equity analysis, planning, and implementation intended to make our system equitable.
- 7.Training and technical support to projects intended to support improved quality of service and improved project and system performance.

Note that the breadth and scope of each activity is completely dependent on funding.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The requested activities will begin in January after the grant contract is executed and will be ongoing over a period of 12 months or until funds are utilized. The CoC Coordinator develops an annual workplan with and approved by the board that includes annual goals and calendar of meetings and targeted activities and goals. The board and Coordinator will be responsible for monitoring the progress and assuring effective and timely completion.

The specific plan and timeline for the requested activities includes:

1. CoC Coordination: Plan, prepare for, and present at the following: board meetings (scheduled monthly, but help at least 9 times a year as meetings in months that coincide with membership meetings are sometimes cancelled to allow for longer HTH meetings), Homeless to Housed membership meetings (scheduled quarterly), and CARES Coordinated Entry Board (scheduled 2 times per year). Present, collaborate, and sometimes assist with planning CoC committee, CARES, and local homeless committee meetings. Additionally, lead the development and approval of the annual plan January–February, participate in local, regional, state, and national meetings related to the CoCs goals to prevent and end homelessness. These include local CARES committees, meetings with state funders, HUD Minneapolis Field Office, MN Interagency Task Force meetings, HMIS meetings, state heading home alliance, and other other meetings with regional, state, and local partners (faith community, VA, counties, cities, public health, DV association, health care providers, corrections, schools, etc.).
2. Project Evaluation: Annually review HUD CoC and ESG funded projects and provide follow-up action and technical support as needed. With other funding, the Coordinator will also reviews state funded projects and participate in the quarterly HMIS Quarterly Data Quality process and monthly meetings with CARES and HMIS staff to identify emerging issues.
3. Project Monitoring: Funded with other activities. Conduct at least 1 monitoring visit (which may be scheduled via zoom).
4. Consolidation Plan: Meet quarterly with City of Moorhead CDBG and at least annually with State of MN, discussing emerging needs and CoC goals and sharing data. Support gathering input from CoC members for both CDBG 5-year and annual plans including hosting listening sessions and promoting surveys.
5. CoC Application: Plan for and submit the annual NOFA according to CoC and HUD timeline, including hosting an annual competition.
6. HUD Compliance: With this and other funding, plan for and respond to HUD deadlines for PIT, HIC, LSA, and SPMs. With this and other resources, support Coordinated Entry compliance by evaluating CARES staff, establishing annual evaluation and providing reports to board monthly.

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The requested funds will help fund a part-time Coordinator. Note that the breadth and scope of review and technical support of ESG and CoC projects is completely dependent on funding. While HUD funding is appreciated and essential, it alone does not provide enough funding to sufficiently monitor, train, and support ESG and CoC projects.

The requested funds will support the Coordinators time to work with the Performance Evaluation Committee to assure projects are evaluated at least annually, with outcomes shared with the projects and CoC board. Projects will receive a list of required and requested improvements that they must complete to support stronger outcomes or compliance with CoC policies.
