

Advancing Equity Together Lived Experience Assistant Coordinator

The West Central Continuum of Care (CoC) is seeking an Assistant Coordinator to help prepare for, support, and follow-up on planning for regional Lived Experience Equity Boards (LEEBs).

Qualities of a successful applicant include:

- Person with lived experience of homelessness.
- Person who has experienced inequities due to race, color, sex, disability status, sexual orientation, or gender identify.
- Ability to clearly communicate with other members and staff via texting, phone, email, social media, and in person.
- Ability to follow through on assigned tasks in a timely manner
- Ability to document outcomes and time spent on tasks.
- Ability to problem solve is issues arise.

This contracted position will work directly with the LEEB Coordinator and CoC Coordinator.

Terms of the contract are:

- The contract is expected to start in early October and run for a period of 6 months, with the possibility of extending beyond this period.
- The rate of compensation is \$25/hour.
- The anticipated hours per month are 8-15.

Interested applicants can respond by completing the [Application](#) by September 30th.
